Jointly sponsored by the Foundation for Care Management and What’s New in Medicine. Supported, in part, by educational grants. Grant support is pending.
AMA PRA Category 1 Credit Statement
This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the Foundation for Care Management (FCM) and What’s New in Medicine (WNM). FCM is accredited by the ACCME to provide continuing medical education for physicians.

The Foundation for Care Management (FCM) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

FCM designates this educational activity for a maximum of 18 AMA PRA Category 1 Credits TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nursing Credit Statement
The Foundation for Care Management is an approved provider of continuing nursing education by the Washington State Nurses Association Continuing Education Approval & Recognition Program (CEARP), an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

Pharmacy Credit Statement
The Foundation for Care Management is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Program #0347-9999-13-009-L01-P *This CE activity is knowledge based (K).

Screening of STD, HIV, Hepatitis for the General Practitioner
1. Identify the newest protocols in screening for STD, HIV, and Hepatitis
2. Recognize when and which patients to screen using the latest methods.

Common surgical infections
3. Identify what’s new in surgical infections.
4. Describe the newest and best practices for the prevention, diagnosis and treatment of common surgical infections.

Screening and Treatment of Latent TB for the General Practitioner
5. Discuss the latest in the epidemiology of latent TB.
6. Identify the most recent practices in the screening, diagnosis, and treatment for latent TB.

Control of Infections in the Community (MRSA, C. difficile, TB, Pertussis)
7. Describe the newest protocols in the control and prevention of MRSA, C.diff, TB and Pertussis infections in the community.
